PACKING TIPS

✦ Please read the Two-Week Packing List carefully.
✦ Label ALL items with camper’s name. This includes: water bottle, backpack, towel, bathing suit, jackets, and other clothing items. It is much easier for our staff to connect a lost item with its owner when they are labeled.
✦ Please limit luggage to no more than 2 large bags and a backpack. Please make sure all luggage is visibly labeled.
✦ Please do not pack any food items. We do not allow food in our dorms and campers will have access to our dining hall snacks throughout the day. Any packed food items will be collected and stored in our office until departure day. Thank you for helping us keep our dorms clean and free of unwanted animals.
✦ Cell phones, smart phones, smart watches, iPods, handheld video games and other electronic devices are NOT ALLOWED. They will be confiscated and put in the camp safe until the end of camp. For full list of items that should not be brought to camp, please see the Two-Week Packing List. Camp is a place to make new friends, try new things and gain independence which can be pretty tough if campers are texting friends from home or calling parents. PLEASE leave cell phones at home if possible. We ask for the Parent’s support of this policy as it is especially difficult to enforce policies without support from you. Exceptions are made for campers that are flying in. Their phones will be collected upon arrival and kept safe until departure day.

HOUSING ARRANGEMENTS

AstroCamp believes that meeting new people is an essential part of the camp experience. We encourage you and your camper to think of camp as an opportunity to meet as many new friends as possible. Summer camp is a great way to develop life skills, especially friend-making skills.

✦ AstroCamp has dormitory style housing. Campers will be placed in a Cabin Group based on their age (not grade) and identified gender. Age groups are 12-13 years old, 14-15 years old, 16-17 years old. There will be 8-10 campers per cabin group with one counselor assigned to their group. Campers will have 2-3 dorm rooms for their group.
✦ Each group’s counselor will be housed within the same dorm for any night emergencies. During arrival day dorm talks, the cabin group counselor will run through the important dorm protocols.
✦ If campers have another camper that they would like to be in the same group, please complete the Bunk Request form in your registration account. We do our best to honor bunk requests however they are not guaranteed. You will be notified if we are not able to make the accommodation. Please try to make your requests before June 1st.
✦ Campers will NOT be moved up to the next age group. Campers may move to a younger group, if appropriate and space allows.
MEDICATION & MEDICAL INFORMATION

ON-SITE MEDICAL PROFESSIONAL

AstroCamp will have a certified medical professional (Registered Nurse or Doctor) on-site each session to handle any minor medical issues as well as dispense medication. Our medical professional (referred to as Nurse _____) will also be available at arrival and departure day to collect medication, talk with parents about any medical concerns, and check campers for any illness on first day of camp.

If your camper gets sick or injured at camp, the Nurse will make an informed decision on whether or not the parent or guardian needs to be contacted based on the severity of the illness or injury or if additional treatment is required. The primary parent or guardian will be contacted by phone.

TAKING PRESCRIPTION MEDICATION AT CAMP

All prescribed AND over-the-counter medication needed by an AstroCamper will be collected at check-in by the nurse. Accurate instructions must accompany the medication. ALL MEDICATION MUST BE BROUGHT TO CAMP IN THE PRESCRIBED CONTAINERS. AstroCampers will have access to their medication through the nurse’s office. SPECIAL NOTE ON CAMPER INFORMATION

We hope you noticed the Camper Experience form in the Required Forms Section. We would like to take a moment to discuss this particular form.

In our experience, some parents are ambivalent about providing camps with information about personal aspects of their child’s behavior or past experiences. Some parents fear that the information may be misused, while others are concerned about their child being “labeled,” singled out or treated differently. All parents want to see their child have a good start at camp, unencumbered by past problems.

As seasoned camp directors, we appreciate these concerns. We also know how invaluable such information can be in assisting us to help your child make as smooth and happy adjustment to camp as possible - something we know all parents want! Very often having prior knowledge about a learning difficulty, a recent loss in or out of the family, a major change in the family or in the child’s life can be the crucial factor in helping us be sensitive to your camper’s need for patience, understanding, and reassurance. Since children often automatically use their behavior rather than their words to tell us what’s bothering them, having advanced knowledge of areas that might be difficult for your child really help us understand the message in his/her/their actions so we can assure them of a better summer.

We commit to never misuse such information or to release it to unauthorized persons. It will never be used at camp unless necessary and only with the greatest discretion. We will certainly let you know if your child is having difficulty. If you have any special concerns about this information or about your child, please feel free to call us. Or, if something comes up before camp begins, please send us a note or email. **As a team, we can better assure your child of a successful time at camp!**

RESOURCES ON PREPARING FOR CAMP

For those going to camp for the first time and even for our returners, we know that being away from family and friends can be intimidating. While we (at camp) know how exciting and fun camp will be, we know the unknown can lead to some nerves and anxiety from campers AND parents. Our goal is to prepare our families as much as possible with open communication and available resources.

The American Camp Association (ACA) has many wonderful resources to help you and your child prepare for camp. Here are some suggested articles;

They will receive a schedule of their assigned activities on the first day and have an opportunity to change them during add/drop. Electives are free choice made on the day.

Please note, at the time you fund the camp store account, your credit card will be charged for the selected amount.

At the end of the summer any remaining balance of $10.00 or less will NOT be refunded to your credit card and will be added to our camp financial aid fund. Any remaining balance over $10.00 will be refunded to your credit card on file. CAMPER PHOTOS

Daily camper photos will be viewable via the Campanion App (recommended) or CampInTouch Account.

We will be uploading pictures everyday at the end of our camp day (which is really late) so please bear with us if you don’t see them available right away. They are typically uploaded around 11-11:30pm. We only have one photographer that works very hard to get every group and camper each day but please know that they are not able to be everywhere so please be patient if you don’t see you camper in a picture.

Each email requires one CampStamp per recipient. CampStamps rollover from previous seasons. **Full email instructions will be given sent on first day of camp camp director email.**
