

PACKING FOR CAMP & PACKING LIST

Please review this list when packing for AstroCamp. Many activities are outdoors, so pack items that can get dirty, are comfortable, and are weather appropriate.

PRESCRIPTION MEDICINE

Daily prescribed medicine should be sent with the student. This includes EpiPens and inhalers. Being at high elevation can cause asthma attacks, therefore it is important that students have their own inhaler.

LOST AND FOUND

To ensure lost belongings return to their owner, name tags are recommended on all belongings, especially jackets and water bottles. AstroCamp strongly recommends students do not bring items of value to camp.

If a student has lost an item, please contact our office at 951-659-6062

BEDDING

AstroCamp does not provide bedding, linen, or towels. All students must bring their own sleeping bag and pillow. Sheets and blankets for a twin bed are also acceptable.

PROHIBITED ITEMS

Dangerous items are strictly prohibited. No drugs, alcohol, matches, fireworks, or weapons of any kind.

CELL PHONES AND ELECTRONIC DEVICES

We encourage students to unplug while at Astrocamp. Cell phones are not permitted while participating in AstroCamp activities. Chaperones should be prepared to store any electronic devices in the safe located in the dorms. Cell phones used for medical purposes (i.e., insulin pump/glucose monitor, etc.) are allowed.

MUST BRING
